

Les Pepites ont conquis le public hong-kongais !

C'est avec un grand plaisir que nous avons accueilli le réalisateur Xavier de Lauzanne venu présenter son merveilleux film Les Pépites à Hong Kong.

Trois projections ont été organisées, chacune suivie d'un moment d'échange entre le réalisateur et son public.

Xavier de Lauzanne a ainsi partagé son aventure cinématographique et, au-delà, la fabuleuse histoire de PSE.

Au total l'opération a permis de récolter 24 000 HKD qui bénéficieront directement à l'école audiovisuelle de PSE.

Continuons l'effort !
